10. Refunds of the entry fee and / or transferring the package

The refund of the entry fee upon early resignation from the start and effective notification of the Organizer is possible under the following conditions:

- in case of resignation from the start by January 31, 2023, the amount of paid entry fee will be refunded with the handling fee of PLN 5,
- in case of resignation from the start between February 1 and February 28, 2023, 50% of the fee paid will be refunded,

- resignation after February 28, 2023, during the race or failure to appear at the start of the competition does not entitle to a refund of the entry fee,
- until April 13, 2023, the participant may transfer his entry fee to another person (the person to whom the package is being transferred should register in the registration system, while the person who resigns should send the data of both participants (first names, surnames, e-mail addresses) and the distance to which the application relates) to the following address: info@pieninyultratrail.pl),
- transferring the package to another person is free of charge, and after transferred is made, it is also possible to change the distance - see point 11,
- the Organizer does not refund the entry fee to participants who have not completed the competition or did not take part in the competition, and does not transfer the entry fee to other / subsequent competitions.

11.Changing the distance

- The organizer allows the possibility of changing the previously declared distance by the participant. Each time such a decision is made by the Organizer individually and depending on the availability of packages for a given distance.
- In the case of transferring to a longer distance, the participant should pay the difference in entry fee between the distances (the difference is calculated on the basis of the date of the original payment).
- In the case of transferring to a shorter distance, the Organizer will refund the difference in the entry fee according to the refund schedule:
 - until January 31, 2023, the difference in entry fee between the distances will be refunded with the handling fee of PLN 5,
 - from February 1 to February 28, 2023, 50% of the difference in entry fee between distances will be refunded,
 - reporting a change after February 28, 2023 does not entitle to a refund of the difference in entry fee between the distances.

12.Collecting the packages

- All participants taking part in the competition must be verified at the Competition Office.
- Verification at the Competition Office can be made:
 - in person - on the basis of an ID with a photo;
 - by an authorized person - on the basis of a declaration signed by the participant (to be downloaded from the website).
- At the Competition Office, participants receive starter packages, including, among others: bib number, time measurement chip, safety pins, map with running routes, information magazine.

- Starter packages can be picked up during the Competition Office's opening hours in accordance with the schedule published on the competition website. Packages not collected at the Competition Office will not be sent or issued at a later date.

13. Bib numbers and time measurement

- Each participant will receive a bib number and a chip at the Competition Office.
- Throughout the competition, participants are required to have the bib number placed at the front, in a place visible to the judges and a chip attached to the shoe - a different placement of the chip does not guarantee correct reading by the measuring system, which may lead to disqualification or incorrect time measurement of the participant.

14. Time Limits

- There are time limits for each run, exceeding which will result in disqualification of a participant.
- Limits are as follows:
 - Hardy Rolling: 3 hours.
 - Chyża Durbaszka: 5 hours.
 - Żwawe Wierchy: 8 hours.
 - Wielka Prehyba: 9 hours.
 - Dzikie Groń: 14 hours.
 - Niepokorny Mnich: 19 hours.
 - **Lubań Vertical: 2,5 hours.**
 - **Palenica Trail: 2 hours.**
- On the Dzikie Groń route, intermediate limits have been established, exceeding which will result in disqualification of the participant:
 - Bacówka na Obidzy (44,9 km) - 10 h (4:00 pm)
 - Schronisko pod Durbaszką (56,3 km) - 12 h 30 min (6:30 pm)

 - Bacówka na Obidzy (75,7 km) - 15 h (4:00 p.m.)
 - Schronisko pod Durbaszka (87,1 km) - 17 h 30 min (6:30 pm)
- After the time limit expires, the participant is not classified and does not take part in the rest of the race. It is also not possible to continue the race without the bib number, on the so-called "own responsibility" or "out of classification".

15. Nutrition points and nutrition during the competition

- There will be nutrition points along the route. The exact list of points is available on the website: www.pieninyultratrail.pl in the Courses tab.
- A detailed schedule of the hours of operation of the nutrition points will be made available in the technical statement provided to the participants before the competition.
- Participants will be able to use the buffets available at the nutrition points.
- In addition to nutrition points, participants will be able to use the shelters on the route on their own.
- **The catering area at the finish line:** only participants of the competition can use the buffets located at the finish line. Entry to the catering area at the finish line will only be possible upon presentation of the bib number. A hot meal at the finish line will be issued only upon presentation of the bib number. The buffet at the finish line is open from 10:00 am to 9:00 pm on the day of the competition (April 22, 2022). It is not possible to use the buffet at the finish line outside the designated hours. **The buffet for participants of the Lubań Vertical route will be open on Friday, April 21, 2023 from 18:00 to 20:00. The buffet is located next to the Race Office in Szczawnica.**

16. Route marking

- With the exception of short fragments, most of the routes have been led along mountain hiking trails.
- The route, in addition to the trail markings, will be additionally marked by the Organizer. Details of the marking of the route will be provided in the technical statement.
- Any changes to the final route will be published in the technical statement.
- During the entire competition, participant should only move along the route indicated by the Organizer.

17. Support - outside help

- Organized help from third parties (support) is allowed in the zones of nutritional points. Any organized assistance during the race outside the designated zones is not allowed. Competitors using an organized support outside of nutritional points will be punished with disqualification.
- The organizer allows the help of third parties on the route in cases where it is spontaneous help, eg by another competitor or a gesture of hospitality of the inhabitants of the towns through which the participants pass, as well as people met on the trails.

18.Environmental protection

- Any activities that may affect the beauty of the natural areas through which the routes run are forbidden, especially: abandoning rubbish, destroying vegetation, disturbing the silence in the vicinity of the reserves, burning fires, etc.
- All rubbish should be left at the nutritional points or carried to the finish line.
- Participants who break the applicable environmental protection rules during the event will be disqualified.
- Due to the route running through the reserve and pastoral lands, it is forbidden to run with a dog.
- To care for the natural environment, we do not provide disposable cups at the nutritional points, each participant should have their own cup (mug, water bottle, flask, etc.) in order to use the drinks at the nutritional points.

19.Safety

- It is forbidden to leave valuables (phones, documents) in deposits.
- The organizer draws the participants' attention to the multitude of dangers and threats resulting from participation in a sports event, related to high physical effort, which may include, among others, a risk of loss of life and health. The organizer recommends that prior to the start of preparations for the competition and during the preparations, appropriate medical examinations or medical consultations should be carried out, depending on the age and physical condition of the participant.
- The organizer is insured against civil liability towards competition participants.
- The organizer provides participants with accident insurance.
- The organizer does not provide any life, health or civil liability insurance for illness, accident, injury, death or any loss or damage that may occur in connection with the presence or participation in the competition.
- The condition for participation in the competition is the authorization of the medical and paramedical personnel employed on behalf of the Organizer to provide first aid or perform other medical procedures, as well as transport the injured participant to a safe place.
- Medical services or the Organizer of the competition may prohibit a participant from continuing the race if there is a suspicion of a poor health condition that may threaten the participant's life or health.
- By accepting these Regulations, the participant confirms that participation in the competition involves physical effort and entails a natural risk and risk of accidents, the possibility of bodily injuries and physical injuries (including death). Providing the Organizer with a correctly completed registration form and paying the entry fee means that the participant considered and assessed the nature, scope and degree of risk related to participation in the competition and voluntarily decided to take this risk, participating in the competition solely at his own risk.

- The condition for participation in the race is to have an appropriate and up-to-date medical examination allowing to start in the selected race or to accept a declaration regarding the health of the participant during registration and no contraindications to participate in the competition.
- The mountain rescue groups: GOPR Podhalańska Group and GOPR Krynicka Group will watch over the safety of participants on the competition routes.

20. Resignation from the race

- Regardless of the place of resignation, if a participant withdraws from the race during the competition, he is obliged to immediately inform the Organizer about it by telephone on the telephone number indicated on the participant's bib number.
- From selected nutritional points (Krościenko, Tylmanowa, Rytro, Kosarzyska, Bacówka na Obidzy), the organizer provides regular bus transport to the finish line.
- Transport from other nutritional points or other places along the route takes place after individual arrangements with the coordinator of resignation (telephone number on the participant's bib number).
- Participants who do not immediately notify the Organizer of their resignation may be charged with the costs of an unjustified search and rescue action.

21. Obligatory equipment

- During the entire competition, each participant is required to have the obligatory equipment indicated for the route on which he is competing.
- The equipment can be checked by the Organizer both before the start and at the finish line.
- Lack of the obligatory equipment will result in a time penalty for the participant. The amount of the time penalty is 15 minutes for each missing piece of equipment. The time penalty will be added to the time the participant obtained at the finish line.
